PowerPlus Camps Cell Phone Policy

We understand cell phones are an integral part of life, but with the goal of creating a camp environment which maximizes focus on the Lord & minimizes distractions, some basic guidelines are necessary.

STUDENTS are not allowed to possess cell phones at camp. "Possess" means carry on their person, keep in their luggage, or otherwise have access to without the supervision of a sponsor.

SPONSORS must not allow cell phones to distract others or themselves from the camp program. Phone usage must be limited to only absolutely necessary calls, messages, or internet activity while at camp. Adults may use phones for note taking, Bible reading, & appropriate image capturing while at camp.

Suggestions for adult sponsors:

- Discourage students from bringing phones altogether.
- If students MUST bring their phone, YOU MUST keep their phone secure.
- Only allow students to use their phone traveling to camp, home from camp, or under the strictest adult supervision for a very limited amount of time while at camp.*

*Please only allow students to use their phones during free time, within ten feet of you, and only for calling or messaging their parents. Students should not use phones for photo taking, video recording, internet activity, gaming, or communication with anyone other than their legal guardian.
